## About Me

I am a 16 years old passionate about technology and programming, with a focus on web development and software solutions. Currently I'm student of Specialized School in Khanka, Khorezm Uzbekistan, I am actively expanding my knowledge in IT, with hands-on experience in projects involving Node.js, Express.js, MongoDB, and PostgreSQL. I am eager to continue growing my skills and contribute to innovative solutions, all while preparing for my future career in IT. In my free time I like playing chess.

## Skills

- HTML, CSS, JavaScript, Bootstrap
- Node.js, Express.js, Nest.js
- MongoDB, PostgreSQL
- Git, GitHub
- Deploying a project to server and domain management

## Languages

English(Intermediate)

Russian(Beginner)

## Experience

### Self-Initiated Projects

July 2024 - Now

- Developed backend services using Node.js, Express.js and Nest.js
- Built RESTful APIs, integrated MongoDB for data storage, and implemented user authentication with JWT.
- Worked on deploying applications to cloud platforms like Railway, Render, Vercel

## Education

### School No. 22

2015-2016

I studied the first grade in this school.

### Specialized School in Khanka

2016 - Now

I have been studying at a specialized school since the 2nd grade. I'm good at math, English, and ICT, and I am continuously raising my knowledge in these areas.

### Najot Ta'lim

July 2024 - Now

During my studies at Najot Ta'lim, I gained knowledge in various technologies such as HTML, CSS, JavaScript, Bootstrap, Node.js, Express.js, Nest.js, MongoDB, PostgreSQL, Git, GitHub, as well as deploying projects to servers and managing domains. I am eager to strengthen these skills further through practical experience.
